§ 837.402

elected to receive FEC benefits in lieu of annuity; and

(2) No amount shall be offset from a lump-sum payment of annual leave, made on or after termination of the reemployment period.

(b) *Payment.* The employing agency shall pay to the Fund the full amount required to be offset from a reemployed annuitant's salary under this section in accordance with instructions issued by OPM. Payment in full to the Fund is not contingent on actual offset from the reemployed annuitant's salary.

(c) *Computation.* To compute the amount of the annuity offset for any particular pay period, divide the amount of annuity for the calendar days included in the pay period by the number of hours that would constitute a full-time tour of duty for that pay period, then multiply the result by the number of hours actually paid for the pay period, not to exceed the number of hours that constitutes a full-time tour of duty.

§ 837.304 Agency liability for payments.

(a) The agency will remit funds properly withheld from the pay of a reemployed annuitant in accordance with this subpart to OPM in the manner prescribed for the transmission of withholdings and contributions as soon as possible, but not later than provided by standards established by OPM.

(b) When the employing agency fails to withhold from the pay of the reemployed annuitant some or all of the amounts required to be withheld from that pay by this subpart, the employee has received an overpayment of pay. The employing agency must collect the overpayment of pay (unless it is waived under 5 U.S.C. 5584 or some other applicable statute) and remit the proper funds to OPM in the manner prescribed for the transmission of withholdings and contributions as soon as possible, but not later than provided by standards established by OPM.

(c) If the employing agency waives the annuitant's repayment of the salary overpayment, it must submit—on behalf of the reemployed annuitant—an amount equal to the correct deduction from pay (or the balance due in the case of a partial deduction) to OPM in

the manner prescribed for the transmission of withholdings and contributions as soon as possible, but not later than provided by standards established by OPM.

§ 837.305 Lump-sum credit not reduced.

When annuity continues during the period of reemployment, and the reemployment is subject to annuity offset under the provisions of § 837.303 of this subpart, or any similar provision of law or regulation, the amount of an annuitant's lump-sum credit to the Fund shall not be reduced by the amount of annuity allocable to the period of reemployment.

§ 837.306 Refund of lump-sum credit.

An annuitant serving as a justice or judge of the United States, as defined by section 451 of title 28, United States Code, may apply for and receive payment of the annuitant's lumpsum credit, less the amount of annuity or other benefits previously paid on that account. Receipt of a refund under this section will irrevocably terminate the right to annuity, and the annuitant status, of the recipient, based on any prior separations from employment covered by CSRS or FERS.

Subpart D—Reemployment of Disability Annuitants

§ 837.401 Generally.

A disability annuitant may be reemployed in any position for which he or she is qualified.

§ 837.402 Special notice.
